NOTES

DESCRIPTION

Welcome to this delightful semi-detached chalet, constructed in 2007-2008, as part of a cluster of chalets and apartments making up the picturesque Le Hameau des Chapelles at the entrance of St Martin de Belleville.

On the ground floor of the chalet is a spacious double garage of approximately 30m^2 equipped with ski boot warmers and ski racks. The ground floor also includes a single bedroom with an ensuite shower room, a versatile playroom/TV room with potential for additional sleeping arrangements, and a mezzanine above the garage for storage. A laundry room, technical plant room, and lockable storage under the stairs further enhance practicality.

The bright and airy open-plan living area on the first floor is a highlight of the chalet, featuring large bay windows that flood the space with natural light. The fully equipped kitchen, dining area, and lounge open onto a sunny west facing terrace, perfect for relaxing or entertaining. This floor also includes a charming bedroom with bunk beds and a single bed, plus a guest WC.

Under the eaves, the second floor houses three spacious bedrooms, one with an ensuite shower room. A separate family bathroom with a bath and WC completes this level, offering ample space for comfortable living.

The chalet is finished to a good standard, and much of the furniture will remain with the property, making it ready for immediate enjoyment. Recent improvements to the co-propriety, including new external stonework, further enhance its appeal.
