DESCRIPTION

The front door leads into a small porch and on into the attractive living room with open fire and exposed beams. The living room is open to the dining room, a bright space with high ceilings, velux windows and a woodburning stove. Stairs lead from this room up to the good sized mezzanine bedroom above with exterior window and brick chimney breast adding to the charm of the stone walls.

Doors from the dining room lead to the charming kitchen with wooden fitted units and double aspect windows and also to a large bathroom with sink, shower and toilet.

A further staircase climbs from the dining area up to a stunning roof terrace with far reaching views of the countryside, a fabulous place to unwind at the end of the day.

The other side of the living room leads through to another porch/vestibule area with large wooden double doors opening to the front of the house. If you were thinking of catering for B&B guests this could be a separate entrance/exit door for your guests away from the other side of the house.

Double glass doors then lead through to a large bedroom with attractive stone walls, low level window and ensuite bathroom with toilet, shower and sink. At the other side of this bedroom a door takes you into the attached garage/barn (54m²) that has large double doors for vehicle access and is great for storage or as a workshop. This space...
