DESCRIPTION

The property dominates a corner plot, with a courtyard leading onto a good-sized, fenced garden. The large attached barn, which can also be accessed from the utility room in the house, is in good condition and features a workshop area, storage for garden equipment and wood for the fires and room to park a family sized car.

The detached village house with five good-sized bedrooms, two shower rooms and a family bathroom was modernised with a light hand some years ago and has been a much loved and well-maintained family home.

Ready to move straight into, it won't be on the market for long! Don't miss this wonderful opportunity to become the new custodians of this lovely French village house.
