The main house boasts 4 spacious bedrooms and 4 stylish bath/shower rooms. Two inviting living rooms and a stunning, light-filled kitchen/dining area—with bespoke cabinetry and integrated appliances—offer generous living spaces with excellent flow. A pantry/cellar and underfloor heating on the ground floor further enhance comfort and convenience.

The layout is as follows:

Ground floor: kitchen/dining room (35 m²), living room (15.4 m²), study or bedroom 3 (14.8 m²), workshop (28.8 m²), pantry/cellar (11.2 m²).

Original features have been beautifully preserved and celebrated throughout. The interiors are tastefully decorated with a curated mix of bespoke artwork, high-quality finishes, and a deep respect for the home's historic character. Local limestone adds warmth and texture, while generous proportions, abundant natural light, and clever design create a calm and uplifting atmosphere in every room.

The barn conversion with its luxurious indoor pool adds a unique and artistic dimension to the property. The hot water system draws from three sources—solar panels, a wood burner, and electricity—ensuring efficient year-round comfort. The loft is fully insulated, all windows are double glazed, and a carport adds practical appeal.

The gardens are a true highlight: a vibrant and carefully composed array of flower beds and peaceful seating areas offer colour and tranquillity in all seasons. A true...
