IN BRIEF

Sometimes, a house surprises you with its character...

Sitting in the garden, contemplating the views and the scale of the buildings, it is hard to imagine that this property is right in the heart of a small typical village of the Vézère Valley in Périgord Noir.

Once the door to the small village lane passed, you will be captivated by the charm of the private, covered passage which leads to the main door of the house, comprising a vast entrance hall, a toilet, a lounge with a monumental fireplace and a large kitchen-dining room.

The bedrooms can only be accessed via the central courtyard or a small garden, and there is a rooftop and colonial terrace at the top of each staircase. The interior layout features a large hallway, four bedrooms, two shower rooms and a bathroom.

DESCRIPTION

Sometimes, a house can surprise you with its character...

Sitting in the garden, contemplating the views and the scale of the buildings, it is hard to imagine that this property is right in the heart of a small typical village of the Vézère Valley in Périgord Noir.

Once the door to the small village lane passed, you will be captivated by the charm of the private, covered passage which leads to the main door of the house, comprising a vast entrance hall, a toilet, a lounge with a monumental fireplace and a large kitchen-dining room.

The bedrooms can only be accessed via the central courtyard or a small garden, and there is a rooftop and colonial terrace at the top of each staircase. The interior layout features a large hallway, four bedrooms, two shower rooms and a bathroom.

Back outside, beneath the house's colonial terrace is the large swimming pool and south-west facing gardens. A large barn (75 m²), which can be converted on two levels, stands to the right. Storage areas, laundry room, boiler room and storage complete this property so full of character.
