The spacious living room offers a cozy fire place and windows on three sides of the room, giving daylight every chance to come in. The french doors give access to the terrace, which is overlooking the lake.

The kitchen is big enough for a dining table.

The mezzanine, which gives the house its open and airy feel has got a large landing, now in use as playroom. There is also a little office space. The upstairs bedrooms are connected, which means you have to go through one to get to the other. They share a toilet with wash basin and there is even enough room to create a second shower room.

The house has got three entrances: through the kitchen, by the terrace and through the guesthouse/sous-sol. The sous-sol can be independent and needs finishing but the basics are there: A shower and toilet are already in place.
