IN BRIEF

A pretty apartment at the top (4th floor) of a building that sits in its own courtyard partially shaded by a large cedar and far reaching views from its windows and two balconies. The kitchen opens on to its own balcony and view as does the master bedroom. The main sitting room is luminous with its row of windows and divided partially in two and can therefore cater for a 3rd bedroom in half of it. The sanitary facilities, washroom etc are modern and up to date and the property has its own cellar and free parking in the courtyard.
