IN BRIEF

EXCEPTIONAL FISHING LAKES INVESTMENT: Six premium fishing lakes just 40 minutes from Paris. This outstanding 6.81-hectare property currently generates a significant annual rental income (7.5% yield) from an established tenant. The diverse waters include specialized lakes for trout fishing (ideal for beginners and families), a dedicated carpodrome where specimens up to 23kg are caught, coarse fishing lakes (stocked with roach, rotengle, tench, and gudgeon), and a breeding/rearing pond. An important feature is the continuous flow of fresh water through each lake via controllable sluice gates, ensuring optimal water quality and fish health year-round. All lakes are fully drainable for maintenance. The property boasts a flourishing ecosystem with exceptional water quality supporting thriving populations of carp and trout (predator fishing permitted in winter). Currently operated as a successful fishing venue with loyal clientele, on-site equipment sales, and expert guidance...
