NOTES

DESCRIPTION

In addition to accommodation the offer is a complete range of hotel services, a wide choice of leisure and wellness activities, travel themed catering and festive evenings. From the warm welcome to the party atmosphere just like in Ibiza, to the Nature Kids Club, to the world cuisine, every aspect of the experience is designed to offer guests a moment of holistic well-being and total immersion.

Aimed at 2 distinct target groups:

The originality and strength lies in its ability to fully exploit these 2 target clienteles, depending on the time of year or the day of the week, so that they never cross paths.. From Monday to Friday, the booking schedule is closed and we only welcome corporate seminars.

At weekends and during school holidays, we are open to leisure customers (couples and families).

In the common areas, everything is modular: the same room must, for example, be able to be used for a meal, a meeting, a children's area, party... WHILE KEEPING a strong decorative DNA.

This flexibility means less investment and greater profitability. This unique approach also means that the operation is on a long seasonal basis and a full team are on hand throughout the whole season.
