IN BRIEF

A centrally located house with all the town amenities a few steps away. In addition to local shops, supermarket and restaurants, the town has a well-supported cinema showing French and English language films.

In need of modernisation throughout, this house offers the buyer an opportunity to add style and elegance. A second attached house to the rear is in need of renovation and, in total, offers 230sqm of accommodation.

With planning permission it could be possible to create a roof terrace by careful re-organisation of the attic space.

Situated less than 20 minutes from Bergerac Airport and within easy reach of the Dordogne and Lot visitor attractions, this historic town house should be viewed to appreciate the opportunity it offers.
