IN BRIEF

This deceptively spacious village house has been recently renovated to a high standard and offers both generous living accommodation plus potential to expand into the separate outbuilding, which has its own access.

Situated close to the village centre, it is just a short walk to a restaurant, a popular bakery and a post

The village is just 18kms from Aubeterre Sur Dronne, one of the prettiest villages in France.

Definitely worth a visit!

DESCRIPTION

You enter to property via the entrance vestibule into the living room/dining area (29.8M²), where the pellet burner is situated. This also fuels the central heating.

Through to the fully fitted kitchen $(13.4M^2)$ and from here, you have access to the utility room $(7M^2)$ and downstairs toilet $(3.5M^2)$.

The old original staircase leads from the living room to the three upstairs bedrooms (17.1M², 12.4M² and 10.4M²), and generous shower room (7M²).

Steps from the kitchen leads to a lovely sunny terrace area and garden.

At the end of the garden, you will find the outbuilding, which has 2 floors and could become a guest apartment over a garage or the whole building could become a gite, given relevant permissions
