DESCRIPTION

Looking for a renovation project or a prime development opportunity? This detached house, built in 1974 and located on the edge of a village near Limoges, offers both.

With approximately 173 m² of living space spread over four levels (basement, ground floor, first floor, and attic), the property is ideal for an investor or someone looking to create their dream home. While the house is currently habitable, it does require renovation—providing the perfect canvas for customization.

Layout:

Ground floor: entrance hall, two bedrooms, kitchen, living room, dining room, bathroom, and separate WC

First floor: large living area or bedroom with kitchenette, two additional bedrooms, shower room, WC, and multiple storage spaces

Second floor: convertible attic space

Basement: garage, cellar, and laundry room

The true highlight is the generous 6,165 m² plot. Thanks to its size and favorable location, the land could potentially be divided and is particularly attractive for a property developer looking to build multiple homes in a peaceful, green setting—while still being close to the amenities of Limoges.
