IN BRIEF

Situated in a popular, tourist town, with its fabulous weekly produce market, the property is ideally situated for benefitting from passing trade, being opposite the beautiful lake. The property consists of 2 main parts - the shop and the apartment - although each is accessible from the other. On the ground floor is found a large shop/showroom and a WC, which is suitable for wheelchair users. From the shop there is access to the stairway leading to the apartment and to the workshop area. Originally an independent dwelling, the workshop area covers 2 floors, one of which would make a perfect storeroom, whilst the other, benefitting from a sink, would make an ideal workshop. From here, access can be gained to the lovely apartment, which also has an independent street entrance. The apartment boasts spacious and modern living...
