NOTES

DESCRIPTION

Surrounded by nature, this property is special with its generous volumes and the quality of the materials used for the recent renovation work.

Two independent outdoor areas provide a variety of settings: a landscaped garden with heated swimming pool for relaxing, and a vast wooded park with private fishing pontoon...

The ground floor opens onto a luminous living room with fireplace, extended by a fully fitted and equipped open-plan kitchen. This convivial space gives access to terrace with superb views over the parklands.

Two large bedrooms open onto the wooden terrace and the swimming pool, while a bathroom with shower and bath and a separate toilet complete this level.

An adjoining storehouse with a shower room and toilet is currently used for storage, but offers great potential for further conversion.

Upstairs, the landing leads to two beautiful, light-filled bedrooms and a shower room with toilet.
