DESCRIPTION

This nice house, to be refurbished to your own taste, is located in the popular 'Les Chevannes', near Lac de Pannecière. Built in the early 1970s and over the years a garden room has been added and a veranda. Part of the sous-sol has been converted into a bedroom and bathroom, where there is also space for the washer/dryer. At the back of the garden, a large hangar was built. Although the house is in need of a major refurbishment/renovation, the living spaces are already very pleasant to be in. The many windows and French doors to the terrace make the house very bright. On the ground floor are the living room, kitchen, bedroom and bathroom with bath, washbasin, bidet, toilet and large wardrobe. Here you will also find the large, attached garden room of no less than 35 m2. The lake is 5 minutes' walk away and Chateau Chinon 10 minutes by car. If you are looking for a nice house in a sought-after location, then this house is for you. But bare in mind, it is a big project!
