Nestled in a peaceful hamlet, these charming properties are arranged around a central grassed courtyard. Both homes have been renovated to retain their original character throughout. In addition to the main house, the detached one-bedroom cottage offers excellent potential for guest accommodation, or to generate rental income.

On the ground floor of the main house is a large modern kitchen, with a log burner, and with space for dining. There are plenty of storage cupboards, and appliances including a Rangemaster cooker with extractor fan, wine fridge, dishwasher, microwave and large fridge freezer. The pretty lounge also has a log burner and double-glazed doors, which lead to a covered terrace to the rear, with seating, and a BBQ and food preparation area. A separate utility room and a WC complete the ground floor.
