IN BRIEF

If you adore the historic village of Simiane la Rotonde — and who wouldn't - then you'll fall in love with this property.

It was even dubbed "the most lovely village in the world" on social media in 2023.

At street level, it features beautifully crafted windows and shutters that open onto a bright, welcoming art gallery. This space can easily serve as a shop, workshop, office, or additional living area.

The rest of the house is impressively spacious: on the first floor, a living room with open kitchen, a shower room and wc; on the second, a bedroom, office, and bathroom with wc: and on the third and fourth floors, two more bedrooms, and a yogaroom.

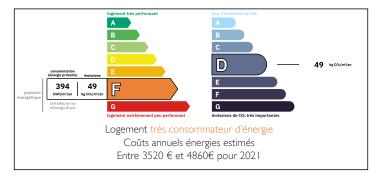

The cherry on top? A stunning, sun-soaked garden — possibly the most lush and serene in the village

— located just a short walk...
