DESCRIPTION

This truly impressive property, a beautifully renovated barn, offers large, bright rooms that are perfect for entertaining family and friends.

Full of character, it was constructed within the last 30 years, the layout feels logical and thoughtfully designed.

The utility room (9.8m²) comes with a sink and a sliding door that leads directly into the garden. The garage (19.77m²) provides convenient access to the house, perfect for bad weather. The study (11.69m²), located on the ground floor, is a bright and separate space, ideal for anyone working from home.

There are two ground-floor bedrooms (8.58m² and 16.4m²), both with independent access to washing facilities. The ground-floor bathroom (12m²) is equipped with a luxurious corner bath and a shower unit.

The open-plan living room/dining room (49m²) and kitchen (10m²) area creates a fantastic space for family living and entertaining, leading directly onto a terrace with an outdoor kitchen preparation area, facing the pool.

Upstairs, a large hallway, currently with a section used as a child's play area, could be easily adapted for other purposes, including an additional office space. This hallway leads to a bathroom (3.8m²), two bedrooms (12.5m² & 12.35m²), and a separate WC. On the opposite side of the hallway, there are two renovated loft areas: 9.3m² (28m² floor dimensions) & 11.9m² (32m² floor dimensions). These rooms are currently used for storage but could easily be converted into additional bedrooms if needed.
