## DESCRIPTION

Situated in the heart of a sleepy village.

Ground Floor:

You enter into a good sized 30m<sup>2</sup> living/kitchen/diner with fireplace and a kitchen area with fitted units.

First Floor:

Stairs go up to a landing area where you find two bedrooms, one of which is a double 136m<sup>2</sup>, the other around 7.1m<sup>2</sup> and a family bathroom of 4.3m<sup>2</sup>.

The house benefits from double glazing throughout.

Second Floor:

Under eaves you find a large and light double bedroom of about 30m<sup>2</sup> with a large built-in cupboard for storage.

Outside:

Directly outside the back door of the property is a gravelled courtyard, perfect for summer dining. There is a large barn divided into three parts. The far left hand side belongs to this property with a floor area of approximately 18.4m<sup>2</sup>. The other two parts belong to the neighbouring properties. To the left of the back door is another small stone outbuilding, again offering generous storage along with the barn space that is double height. There is a gate with access to the front street. Beyond the small outbuilding is a private lawned garden area. Also in the courtyards a small wooden lean-to that houses an outdoor WC, handy when you are gardening.

A roomy property and early viewing is essential to appreciate the opportunity.
