DESCRIPTION

The property features three bedrooms, including a ground-floor bedroom and a shower room, ideal for guests or single-level living. A light-filled conservatory adds extra living space, creating a seamless connection between indoors and out.

Renovated to a high standard over the past three years, the home is surrounded by a gorgeous landscaped garden with an English-style lawn, a heated swimming pool, and a sunny terrace with a slatted roof providing shade if needed —perfect for outdoor dining and entertaining.

Take in breathtaking, uninterrupted views over the rolling countryside and enjoy true peace and privacy. The property also boasts an enormous adjoining barn, full of potential for conversion into additional living space, a workshop, or studio.

Ideally located in the Loire Valley, known for its vineyards, châteaux, and natural beauty, this is a rare opportunity to embrace a relaxed, outdoor lifestyle while remaining close to local amenities and village charm.

Please note: The DPE classing of G is because there is an oil fired boiler on site. It is disconnected and not used - but because it has not been removed, this has affected the DPE rating. If removed, the DPE would be class E.
