DESCRIPTION

We enter the property from the side sunny terrace to the fully fitted kitchen with induction hob and electric oven. The 1st of the pellet burners is housed here with still enough room for a kitchen table & chairs. The kitchen boasts access to each of the outside areas. The tiled floor dining room, runs the length of the patio and leads to the large living room with the 2nd pellet burner sat in the fireplace and feature wooden bookshelves.

To the first floor we have 4 double bedrooms, one with a shower room and the modern bathroom. There are built in wardrobes and cupboards in abundance. The 4th bedroom is being used as a study and holds a log burner for those cosy nights. This much-loved home has also been fully updated with pellet burner vented heating, double glazing and is very well insulated. There is still room for expansion in the form of an undeveloped room downstairs, (currently being used as a utility/storage room) which could be another family bathroom or a bedroom/ensuite. Come and discover this engaging property for yourself.
