DESCRIPTION

If you're dreaming of a quiet life in the French countryside — with space for your family, your hobbies, and even your dogs — this welcoming property near Château-Garnier in the Vienne ticks every box.

With approx. 170m² of living space (plus useful outbuildings), the house offers real flexibility, including up to 5 bedrooms and a layout that adapts to both family living and potential guest use.

On the ground floor, the entrance hall sets the tone with a wood-burning stove connected to a back boiler that heats the entire house. To one side, you'll find a bright living room; to the other, a fitted kitchen and dining space. A ground-floor bathroom and WC add convenience.

To the right, the large, air-conditioned garage has wide sliding doors, a built-in dog shower, and access to a secure dog garden. Above, an extra room is currently used for storage but could easily serve as a bedroom, office or hobby space.

Upstairs in the main house are three more bedrooms — one with its own ensuite — along with storage/dressing space, a second shower room and another WC.

Outside, you'll enjoy a generous 3,880m² garden that's fully enclosed and features two wooden shelters, a woodshed, and a large terrace for al fresco dining or relaxing in the sun. Various types of trees can be found on the property, including walnut, plum, pear, apple & cherry. There is also ample parking space at the front of the property for multiple vehicles.
