DESCRIPTION

Located in Terrasson-Lavilledieu, in the heart of the Périgord Noir, this property spans nearly 380 m² over three levels.

Nestled in a peaceful, green environment, it offers a privileged living setting, close to all amenities, in one of the most sought-after areas of Terrasson-Lavilledieu.

On the ground floor, the main house of 130 m² is centered around a large living/dining room of more than 40 m², flooded with natural light, featuring high ceilings and a functional fireplace that adds character to the space.

The practical separate kitchen of 17 m² nicely complements the layout.

The central hallway leads to 2 bedrooms, including a spacious master bedroom of 14.66 m² and a second bedroom of 14 m² with an adjoining shower room. A 12 m² office also has its own shower room, offering the possibility to convert it into a third bedroom.

A bathroom with a bathtub and shower, a separate toilet, storage spaces, and a utility room complete this level.

On the first floor, accessible directly from the house or via the basement stairs, are three insulated unfinished attic rooms totaling about 40 m². These spaces offer interesting potential for conversion: an additional bedroom, playroom, storage area, or reading nook. A central landing of 11 m² and an independent toilet allow for functional distribution.

Also on the first floor, an independent one-bedroom apartment of approximately 58 m², accessible via an exterior staircase, completes the property. It consists of an entrance hall with kitchen, a bright 25 m² living room, a bedroom...
