IN BRIEF

This beautiful character Charentaise longère is a rare find in this central town location, in a quiet residential area just 1500m from the stunning seafront of the popular town of Saint Palais sur Mer on the Atlantic coast.

The house retains many beautiful original features throughout including chimneys, tiled floors and exposed beams. All the living space is currently on the ground floor and the main living spaces open directly onto the pretty south facing garden and terrace. There is also a large attic that could be converted to increase the existing 205m2 of habitable space, with the usual permissions.

Outside the garden is incredibly private and enclosed and a great size for a town property such as this. There is an attached barn/ garage that could provide covered parking if needed.
