DESCRIPTION

Now it's time to start the tour. After appreciating the tranquil, sunny location, we cross the threshold and are greeted by a beautiful veranda, which protects the entrance hall.

From here, a wide corridor leads to all the rooms on the ground floor, starting with a lovely, well-lit fitted kitchen.

Opposite this is a lounge, dining room with fireplace, a cloakroom with WC, and a surprise large bonus room, a summer kitchen with access to the front terrace, a first garage with sliding door, this room could be completely redesigned and converted into a bedroom if you need to sleep on the ground floor, the summer kitchen could also be used as a bathroom.

A second garage with a small annexe at the rear for tools is really functional.
