DESCRIPTION

Ideally located in the heart of La Trimouille, this character property is just steps from shops, schools, and essential services, and within easy reach of Montmorillon (10–15 minutes) with its hospital, supermarkets, and secondary schools.

The ground floor offers a kitchen, sitting room, shower room, bedroom, and cellar/storage space. On the upper level, you'll find another bedroom or office, with direct access to the garden and terrace — a rare advantage for a town-centre property. A handy garden shed is also included.

The attic provides further potential for conversion (subject to planning permissions), giving the opportunity to add more living space as desired.

The house benefits from mains drainage, updated electrics, and is already wired for electric heating, ready for installation. Public parking is available just in front of the property and nearby.

With its combination of central location, outdoor space, and scope to renovate, this property is a blank canvas with great potential — whether as a permanent residence or a charming holiday getaway.
