DESCRIPTION

Located in the centre of Puissalicon, on a quiet street, this property offers over 60m² of habitable space arranged across two levels.

Upon entry, you are welcomed into the open-plan lounge/diner, a good space with original tiles and beams. To the rear, there is a storage cupboard and kitchenette with an original sink. A small hall leads to the shower room with WC and sink, then on to the first bedroom.

Stairs take you to the second floor, which opens onto the second bedroom. A further door leads to the loft space, which could be converted into a bedroom. There is also an opening with views of the countryside.

Outside under the property, there are two separate dry caves that could be used to store sports equipment. One cave houses the washing machine and hot water tank, while the other still contains the old wine vats.

The house would benefit from some decoration and upgrades to bring it to a more modern standard. However, it is perfectly habitable as is and is already connected to fibre optic broadband. The property is available furnished.

Puissalicon is a charming village with many amenities, including two restaurants and a wine/tapas bar. It is conveniently located around 15 minutes from the city of Béziers and about 25 minutes from the coast.
