NOTES

DESCRIPTION

Rural, calm, a pleasant natural environment.

Low population (1 1601190 inhabitants) in ~10 km² 1 low density, peaceful, no urban congestion. Undulating terrain in the local area can make for nice views and pleasant country drives.

Beautiful countryside: proximity to lakes (e.g. Lac de Bosméléac about 405 km away) for leisure walks, nature, etc.

Affordability & quality of life

Lower cost of housing compared to larger towns / cities, especially given its rural character.

Low density means less noise, less traffic, more space (larger plots, gardens, etc.).

Good mix of character: old houses, rural architecture.

Proximity to larger towns & amenities without being in them.

Although small, Le Bodéo is part of Saintli Brieuc Armor Agglomération, so it can benefit from services, infrastructure and administrative ties of a larger community.

About 30131 km south of Saint1Brieuc.

Culture, heritage, local charm

The parish church (Église SaintllThéo) with its 18th century painted choir ceiling, galleries, retables etc., gives cultural interest.

Local agricultural/terroir products (volailles de Bretagne, farine de blé noir, cidre etc.).

Good local amenities for a small commune
