DESCRIPTION

Located in a hamlet near a lively village and 10 minutes from a former sub-prefecture with a renowned weekly market,

this 224 m² house, formerly an annex to an 18th-century estate, is spread over three floors and comprises a series of rooms that offer everyone the privacy they need to go about their business.

A gravel courtyard leads to a vast, high-ceilinged room (over 4 metres high) measuring 51.5 m², with exceptional stone flooring.

Serving as a reception room, ultra-modern and functional kitchen and dining room, it features over 8 metres of Spanish white marble and a worktop (with copper sink and light fittings) that would be the envy of any professional. It even has a remarkable contemporary wood-fired oven for pizza or slow cooking.

Thanks to its modular opening onto the courtyard/indoor pool, the room can be transformed into a fantastic multifunctional space of over 150 m².

A utility room (14 m²) and toilets are adjacent to the large room.

A pleasant and comfortable stone staircase/passageway (12 m²) leads to:

- on the right, a large 32 m² bedroom with en-suite bathroom

- on the left, a bright living room (32 m²) with French windows opening onto a wooden terrace (25 m²) overlooking the swimming pool and inner courtyard.

A staircase leads to the upper floor and serves a landing (6.7 m²) and two bedrooms, one of 18.2 m² and the other of 20 m², the latter with an en-suite shower room finished in precious Spanish yellow marble.

Adjoining the living room is...
