NOTES

DESCRIPTION

Large double electric gates lead into a 2 500m² enclosed garden. The pretty bungalow (130m²) lies set back from the property limit behind a sun filled terrace. A columned porch leads into the entrance hall and independent toilet, and on into the bright and spacious living area. The high quality of materials used for the renovation in 2022 ensure comfort and elegance.

There are two bedrooms with beautifully appointed bathrooms and dressing room and a third bedroom which could be used as an office. The fully equipped recently renovated kitchen has access to the front terrace and to the very useful utility room.

A large, bright veranda fitted out as a dining room and winter lounge prolongs the living area and allows for leisure and relaxation within easy access of the pool and vast terrace.

The house is equipped with photovoltaic solar panels.

The entire garden is classed as a building plot; an extension, extra rooms or guest houses, the choice is yours.
