DESCRIPTION

A gated entrance welcomes you to this charming villa, offering parking for several cars along with a double garage.

The main entrance opens into a bright hallway, leading to a generous dining room with a working fireplace and direct access to the veranda. From here, sliding glass doors open the full length of the space, creating a seamless indoor-outdoor living area. The separate, fully equipped kitchen also connects to the veranda, making it perfect for both family meals and entertaining.

The ground floor further features a cozy living room with a wood-burning stove and garden access, two comfortable bedrooms, a shower room, and a separate guest WC.

Upstairs, you'll find two additional bedrooms, a bathroom, a shower room, and a separate WC, along with a versatile space ideal as an office or reading nook.

Outdoors, the villa truly shines. The large heated swimming pool (14m x 6m) is complemented by a covered seating area, a summer kitchen, and a boules pitch. The mature, flat garden is both easy to maintain and a wonderful space for children to play.

Additional features include a spacious laundry room with ample storage, full fencing and gating for privacy, and a convenient location close to local amenities with easy access to the A8 autoroute.

Whether as a family residence or a holiday retreat, this property combines comfort, space, and Provençal charm—an opportunity not to be missed.
