This house combines comfort, modernity and energy

DESCRIPTION

Nestled in a quiet and sought-after residential area, this single-storey villa built in 2008 combines comfort, modernity and quality features. Offering 127 m² of living space on a fully fenced and beautifully landscaped 990 m² plot, it impresses with its generous volumes, brightness and layout designed for harmonious family living.

From the entrance, you will discover a spacious 41 m² living/dining room, bathed in natural light thanks to its large openings, leading directly to a pleasant covered terrace of 19 m². This outdoor space is ideal for family meals or entertaining friends while overlooking the garden and the swimming pool.

The fully fitted kitchen, both modern and functional, is extended by a utility room with plenty of storage, ensuring optimal organization for everyday life.

The night area offers three comfortable bedrooms, all accessible via a central hallway, as well as a large bathroom featuring a walk-in shower, a bathtub, an integrated toilet and quality fittings. A second separate toilet completes this section. Two large built-in cupboards in the corridor add extra practicality.

This villa is equipped to guarantee year-round comfort:

A pellet stove providing efficient and economical heating.

Two solar panels supplying domestic hot water, helping reduce energy costs.

A south-facing saltwater pool (hydrolysis system) surrounded by a sun deck, perfect for relaxing or entertaining.

An attached garage with direct access to the house adds further convenience. Entry to the property is secured with a motorized gate, combining
