DESCRIPTION

Discover this beautiful pavilion style two bedroom home offering a perfect blend of classic character and modern comfort. Thoughtfully designed and fully double glazed, this property provides year-round comfort and energy efficiency.

The bright, open-plan living area seamlessly combines the kitchen, lounge and dining room - ideal for both relaxing and entertaining. Large windows fill the space with natural light, creating a warm and welcoming atmosphere.

Below, the spacious sous-sol offers excellent potential - perfect for storage, a workshop or conversion into additional living space (subject to local planning approval).

The property is entered from the quiet street through electric gates. Mature trees give shade and at the rear there are fruit trees and lots of space for growing vegetables.

Entering the property, a small hallway leads to the open plan living area. The modern kitchen is bright and well planned with plenty of workspace and storage. The dining area is filled with light from the glass doors that lead to the small balcony looking over the front garden.

The two bedrooms have recently fitted wardrobes that afford maximum use of space for storage.

The garage/storage space below the house is fully insulated and offers many options for use.

The charming market town of Civray is a few minutes walk away. There are bars/restaurants/cafes and riverside walks and the town hosts a street market twice a week. Large supermarkets are with a five minute drive both in Civray and the neighbouring town of Savigne.
