IN BRIEF

CALLING ALL INVESTORS OR FILM LOCATION SCOUTS!

A rare and exciting opportunity has come to market in the very heart of Jarnac: half of an enormous former print factory, brimming with history, atmosphere, and creative potential. Spaces of this scale and character are seldom available—especially in such a central location.

Currently home to an impressive collection of bric-à-brac and antiques (available by separate negotiation), the building offers an authentic industrial backdrop that feels frozen in time. The other half of the property is also available to purchase from a separate owner, with full details provided to serious buyers.

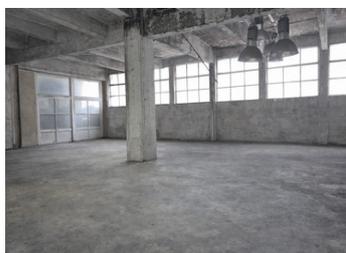

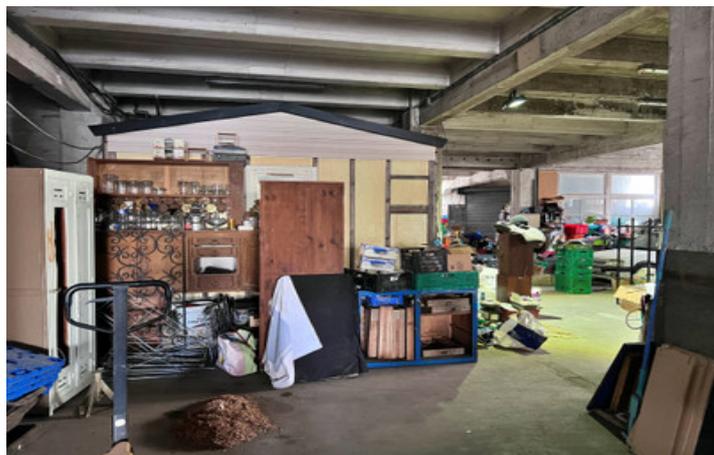

The building is a co-ownership, with shared entrance and staircase.
