DESCRIPTION

On the ground floor the front door welcomes you into the bright living room. There is good sized kitchen/dining room the full width of the back of the house with a door out to a small sun terrace with steps that lead down to the courtyard (currently has a metal hangar that is to be taken down). There is a downstairs shower room with wc next to the kitchen and next to the lounge is a small hallway with plenty of space for hanging your coats and the beautiful wooden staircase.

Upstairs the landing leads to 3 bedrooms, 2 at the rear and 1 at the front as well as a tiled bathroom with shower, sink and wc.

Below the property is a small cellar that also houses the oil fired central heating boiler.

Attached to the side of the property are 2 large garages with concrete floors, one with sliding door (108m²) and one with roller door (47m²) ideal for anybody looking to run their business from home or even perhaps to develop the space into more living accomodation (subject to permissions).

The international airports at Limoges and Poitiers are both around 1 hours drive from this property.
