IN BRIEF

This is a rare opportunity to purchase not just one beautifully renovated house, but two! The original barn has been transformed into a sleek, modern home with luxury fixtures and fittings throughout. No expense has been spared in its transformation - it even has its own sauna room and a large balcony overlooking the pool.

The farmhouse is decorated in a traditional style and offers generous accommodation with 3 bedrooms, an outdoor kitchen and vaulted cellar. The property also has a separate garage with a small artist's atelier above.

Outside there is a terrace and garden and land, which overlooks the river valley in the distance. This is truly a breath taking property with no work needed.
