## **NOTES**

#### DESCRIPTION

The property has been sympathetically renovated by the current owner and retains it's original charm as a number of the original features are still present. The energy efficiency of the property has been improved with the installation of aluminium double glazed windows & doors and a geothermal underfloor heating system. To the ground floor you will find an open plan fully functional kitchen(25m2), with a wine cellar wonderfully created using an old bread oven. A living room with wood burning stove(26m2), a bedroom(24m2), a dressing room(7m2), a bathroom(10m2), a stairwell area with W/C and an arriere cuisine(15m2), which gives access to an outdoor pantry area containing the pool plant equipment. The first floor is accessed via an internal external staircase and contains bedroom(22m2), a shower room(9m2) and a large living/dining area containing a kitchen(75m2). The vendor currently uses the first floor to run a successful gite business but it could also be easily converted to provide a number of further bedrooms. The vendor also used the 'Laboratoire' to make and sell confiture using fruit from the orchard. Outside you will find a pleasant terrace and 9000m2 of garden mainly laid to lawn. There is a paddock of approximately 32000m2 which is ideally suited to horse riding but the vendor has indicated that it could be sold separately or split into an area more agreeable with a buyer.
