NOTES

DESCRIPTION

The address is located in the north of Toulouse, in the Trois Cocus district.

Transport & Accessibility

The area is well served by public transport: the street is close to bus stops and a metro station (Trois Cocus metro station).

It offers easy access to Toulouse city centre and major road connections.

Amenities & Neighbourhood Life

The street has a residential character, with several recent apartment buildings (e.g., constructions around 2013).

Shops, services, and businesses are located nearby, providing convenient daily living.

According to real estate valuation sources, the property is situated in a building delivered in 2013, meaning a relatively recent structure with modern features (lift, 4 floors).

This is an advantage in terms of long-term value and low maintenance, whether for a homeowner or an investor.

The district, well connected and undergoing development with recent housing programmes, offers strong potential for resale or rental investment as part of a property strategy.
