IN BRIEF

In the heart of the 10th arrondissement, just steps from Marché Saint-Quentin, this artist's duplex combines the charm of a traditional Parisian workshop with the tranquillity of a quiet, pedestrian-like street.

Accessible directly from the Cour de la Ferme Saint-Lazare, the house is arranged over two levels: On the ground floor, an entrance leads to a spacious living area, extended by a semi-open kitchen and a studio or office space (which could be converted into a shower room).

Upstairs, a staircase beneath a glass roof leads to two bedrooms, a bathroom with WC, and a storage room offering the potential to create a second WC. Some light refurbishment would make it possible to maximise the full potential of this unique property, officially designated as a commercial unit with residential use — perfect for an artist's studio, a main home, or a furnished..
