NOTES

DESCRIPTION

This charming farmhouse, accompanied by an exceptional attached barn, has been made eco-friendly thanks to its ground-source heat pump. It offers tremendous potential for further development into an ecological home—ideal for anyone seeking self-sufficiency or interested in regenerative energy and farming.

Recently run as a gîte and B&B, this rural retreat also benefits from an expansive garden designed for outdoor living, complete with a pizza oven, BBQ area and a quaint pavilion. In addition, there is a mature, fully fenced vegetable garden, a productive orchard and a well, all supporting a sustainable lifestyle.

The property is just a short stroll from the River Gartempe, renowned for its watersports and excellent fishing—perfect for nature lovers and outdoor enthusiasts alike.

The main entrance opens into an impressive hallway with a beautiful old staircase. From here, you access the grand kitchen—dining room (6.2 m × 5.4 m), a comfortable living room (5.2 m × 5.6 m) and a spacious pantry/utility room (5 m × 4.2 m).

Also on this floor is a room that would have originally been the main living room, as well as a self-contained apartment consisting of a bedroom with en-suite shower and WC, plus a living room. This area has been designed with disabled access in mind.

On the first floor is another impressive apartment, featuring a very large bedroom (5.9 m × 5.1 m), an inviting living room (5.3 m × 5.1 m) and a magnificent bathroom (5.2 m × 5.4 m) offering panoramic views of the...
