DESCRIPTION

The first house, built just 10 years ago, is in excellent condition. The entire ground floor is made up of two large garages, perfect for storage, a workshop, or hobby space.

The main living area above includes:

An entrance hall

A bright lounge with open-plan kitchen

Two double bedrooms

A family bathroom

The second house — begun less than 10 years ago — is an impressive structure that, once finished, will offer just under 300 m² of living space. The property is sold with all the materials already purchased for completion, including windows, shutters, insulation, and more. The roof is partly completed and currently being finalised, ensuring the project continues to move forward.

This setup makes it ideal to live comfortably in the finished home while completing the second, with fantastic potential for rental income, a spacious family residence, or multi-generational living.

Located in the peaceful village of Trébrivan, just 5 minutes from Carhaix-Plouguer, this property offers space, flexibility, and exceptional potential — a rare opportunity to create something truly special.
