DESCRIPTION

Approached via private gates and a private driveway, the property immediately gives a feeling of privacy and exclusivity. The main house is full of character, featuring a turret and architectural details throughout.

Ground Floor

You enter into a bright and spacious entrance hall (10.72m²) with tiled flooring and underfloor heating, with the staircase directly ahead. Beneath the stairs, a door leads to the impressive vaulted cellar, perfect as a wine cellar and also housing the heating system (heat pump / pompe à chaleur).

To the left of the hallway is a generous dining room (33.86m²), while to the right you'll find a welcoming kitchen with dining area (27.28m²). A convenient ground-floor WC is located behind the staircase.

A door from the dining room opens into an additional section of the house currently used for storage, offering potential to create a ground-floor bedroom suite or guest accommodation.

From the kitchen-diner, a few steps lead down to a cosy living room (22.4m²), creating a lovely split-level layout.

First Floor

Between the ground and first floor, the turret houses a practical laundry room (4.16m²).

The first floor offers three bedrooms all with built in cupboards

Bedroom 1 (11.04m²)

Bedroom 2 (15m²)

Bedroom 3 (20.55m²) with direct access to a shower room (9.67m²) featuring double sinks, plus a separate WC

Also on this level is a family bathroom (5.6m²) with a balneotherapy bath, and an additional separate WC.
