DESCRIPTION

Set within a secure residence in this highly sought-after village, the apartment offers a layout designed for both comfort and flow. The living room is generous and welcoming, bathed in natural light and opening directly onto a private south-facing terrace. Here, shaded by elegant arches, the terrace becomes an extension of the living space, perfect for outdoor meals, morning coffee or evenings spent watching the light change across the village rooftops.

The kitchen has been newly remodelled and blends modern functionality with understated charm. Thoughtfully designed, it opens naturally onto the dining and living areas, making it as practical for everyday life as it is for entertaining. This main level also includes a separate WC and a discreet laundry area, adding to the apartment's practicality and ease of use.

Upstairs, the sleeping accommodation is calm and well proportioned. The principal bedroom enjoys excellent natural light and opens onto a balcony, offering a quiet private space to begin or end the day. Hardwood floors bring warmth and character, while the bathroom is fitted with a shower, washbasin and toilet, finished in a clean, timeless style. A second bedroom is arranged with twin beds, ideal for guests or family.

A staircase leads to the top floor, where a mezzanine-style bedroom sits beneath a Velux window. This space is bright, airy and flexible, suitable as a third bedroom, guest suite or peaceful retreat. Light and air circulate freely here, reinforcing the sense of openness throughout the apartment...
