IN BRIEF

Independent two-story 3-bedroom house with superior energy efficiency and a separate artisan workshop setup. Located south of the bustling city of St Junien, this semi-detached home is set over two floors plus an attic and wine cellar, offering a move-in ready home with top-of-the-range insulation, featuring professionally insulated interior walls and roofing. The property includes a garage and an authentic, fully operational ancient forge housed within a spacious artisan workshop (atelier artisanal) on a separate adjacent parcel, offering exceptional potential for conversion into a showroom or business outlet. The interior, equipped with double glazing, features two toilets and a dual heating system (town gas and a wood-burning stove capable of heating the entire house). This home is extremely economical to run and requires no renovation work.
