This is a lovely family home, built in the late 1960's, and updated over the years. It would be ideal for use as a home and business premises, thanks to the ground floor workshop.

The living area, mainly on the first floor, is spacious and bright, and comprises large sitting room, dining room, modern fitted kitchen, store room, 3 bedrooms and a shower room with separate WC. There is a large balcony to the front of the house and a smaller covered loggia to bedroom 1. The marble floors and modern fittings give the house an elegant and stylish appearance.

Offering generous living space and extensive professional or hobby facilities, this well-built property would be ideal for anyone seeking a comfortable home with room to run a business or workshop from the same address. An enclosed porch (8m²) leads to an impressive marble-tiled entrance hall (17m²) with an elegant sweeping staircase rising to the first floor. On the ground floor there is also a large study (12m²), perfect for home working, along with direct access to the vast garage/workshop.

The main living accommodation is situated on the first floor, with the bedrooms positioned to the rear of the house. The recently refitted kitchen (17m²) features integrated appliances and a sleek modern design, with a side door opening directly onto the spacious dining terrace at the front of the property. The bright sitting room (37m²), also with marble flooring, features an open fireplace (currently not in use) and French doors opening onto the terrace.
