IN BRIEF

This lovely stone house is perfect for family life and has many possibilities. You enter from the front of the house into an open plan kitchen, dining room and lounge complete with log burning stove, through double doors you enter what is a 2nd reception room but this could be a ground floor bedroom as there is a shower room/utility room off which also houses the hot water tank. Access to the garage is also from here which has double doors and a second floor installed, this could be converted if desired.
