## DESCRIPTION

Situated in a tranquil hamlet, this delightful property offers the perfect blend of original period features and modern comfort. The house has been meticulously maintained and tastefully renovated throughout, making it a truly turnkey family home.

You enter the home through a spacious, modern eat-in kitchen. Flooded with natural light, this room is an ideal space for a large dining table to host family and friends. From the kitchen, a hallway leads to the bathroom and a separate toilet.

The hallway also opens into a cosy sitting room, which features a staircase leading up to a mezzanine. This versatile space is perfect for a home office, library, or hobby area.

The first floor comprises three well-proportioned bedrooms, an additional toilet, and ample built-in storage space.

The property is heated by a Wood pellet stove and electric heating. The house also benefits from double glazing throughout.

Through the kitchen, you step out into a neatly landscaped garden.

A major asset to the property is the very large garage. This building offers excellent potential for a guest annexe conversion or use as a professional workshop.

Directly opposite the house is a traditional stone water well belonging to the property.
