DESCRIPTION

Set within a luxury new build residence, this beautifully designed penthouse apartment is part of a boutique development of just 12 apartments spread across two traditional-style chalets.

The apartment centres around a welcoming open-plan living and dining area, where large windows bring in plenty of natural light and create a warm, airy atmosphere. The layout is ideal for relaxing or entertaining after a day on the slopes, while the elevated penthouse position enhances the sense of space and privacy.

There are four double bedrooms in total whereby one of the bedrooms is arranged on a mezzanine level, providing a distinctive architectural feature and a cosy, private sleeping area.

The residence has been designed to reflect the character of the surrounding mountain village, with façades in natural stone and wood paired with modern interiors and quality finishes. The apartment benefits from underfloor heating and energy-efficient insulation.

Additional facilities include a lift, a ski room with heated boot racks, a private owner's cellar and secure access via videophone. The property also offers the possibility of recovering 20% VAT when participating in a managed rental programme under the Convention Loi Montagne.

Saint-Martin-de-Belleville is a picturesque Savoyard village that perfectly balances authentic alpine charm with access to world-class skiing. Located within the renowned 3 Vallées ski area, it provides direct access to 600 km of slopes while offering a relaxed village atmosphere with excellent restaurants, shops and year-round mountain activities.
