DESCRIPTION

This semi-detached property is situated on a quiet no through road that leads to a couple of neighbour's houses. The front door of the property opens on to the first floor of the property. On this floor is a family bathroom, separate WC and two bedrooms. Downstairs there is an open plan kitchen, dining area and lounge with a wood burner. Parking is next to the house and the vendors tend to use the rear entrance. Triple glass patio doors flood the ground floor with light making it a very bright and sunny area. An ideal place to have family meals or just sit and listen to the sounds of the birds in the trees. Also on this floor is a useful laundry room which houses the hot water tank.

On the third floor there are two further bedrooms both with modern en suite shower rooms.

Outside there is a manageable garden laid to lawn where you can sit and listen to the sound of the stream which runs past the end of the garden.
