DESCRIPTION

The ground floor is currently operated as a theatre space, giving the property a distinctive identity. However, this area could easily be reverted back to a traditional commercial premises, or alternatively renovated and converted into a ground-floor apartment, a highly sought-after option in this central location.

Above, the property comprises five apartments, including two F2 units, one T1, one studio, and a spacious T5, offering a diverse rental mix and multiple income streams. Each apartment has been upgraded with new electrical installations and benefits from double-glazed windows throughout, ensuring modern comfort, efficiency, and strong tenant appeal.

Extending to approximately 500 m² of habitable space, the building is already configured for rental use, offering immediate returns with further potential to enhance income.

The property combines period character with practical modern features, including fibre connectivity and mains drainage, making it a reliable and sustainable long-term investment.

Its central location places all amenities within easy walking distance, including a train station with direct connections to Limoges, further enhancing accessibility and appeal for tenants.

This is an excellent opportunity for investors seeking a property with secure income, modernised accommodation, and flexible future potential.

Annual tax foncière: approximately €4,000.
